

quick facts

AGES

LOCATION:

Rolling Green Elementary School
3615 Westgate Pkwy, Rockford, IL

REGISTRATION ends 1 week prior to the start of the program (or when capacity is reached)

SERVING AREA
YOUTH & TEENS
WITH DISABILITIES

Pool School (Ages 5-12)

It's time to jump in! The first day of the program, we will see how good a swimmer you are, whether a beginner or an old pro. From there, we will place swimmers into small groups, and work on those skills needed to be the best swimmer you can be.

Teen Water Works (Ages 13-19)

Sharpen your swim skills to really show off your talent. We will get into small groups to teach the skills to move from a pool fish to a swimming shark.

Rolling Green Elementary School
3615 Westgate Pkwy, Rockford

For more information, please call 815-987-1606

YOUTH aquatic PROGRAMS

Learn to Swim (Ages 5-17)

In this program, children begin learning foundational swimming skills, and ultimately, how to swim by themselves. On the first day of class, students are placed in the most appropriate of five levels. Children must be able to enter the water and participate on their own. Each level has a specific set of objectives to achieve before moving to the next level. Classes are taught in the main pool in at least four feet of water. All levels are taught in a positive and fun atmosphere.

Rolling Green Elementary School, 3615 Westgate Pkwy, Rockford, IL

Resident..... \$75.00 Non-resident.....\$85.00
